

**WEBBER ACADEMY CONSENT FORM 2011-2012
GENERAL MEDIA COVERAGE**

Please sign all required fields and return before **Thursday, August 25th, 2011**

Occasionally, we receive requests from newspaper and television reporters to visit our campus and report on an aspect of the school or its programs. Reporters may want to take general classroom photographs or film classroom activities to accompany their stories. Requests of this nature are given careful consideration by Dr. Webber and staff, and approval may only be granted by Dr. Webber. While we attempt to cooperate with the media when possible and encourage public celebration of our school achievements, we recognize there are instances where publicity of this nature is not welcomed by individuals. Information and pictures may also be used by the school for promotional purposes through the media as well as on our website. Parents are asked to consider whether they approve or disapprove of their child possibly appearing in a newspaper photograph or being televised while involved in school activities. In cases where a parent does not wish a child to participate in media coverage, school staff will involve the child in other activities during the media's brief attendance. In cases where reporters wish to interview an individual child specifically, Dr. Webber will obtain parental consent in advance, specific to each media request. Please check the boxes below declaring whether or not you give consent for your child to be involved in the following types of media coverage:
