Minutes	Action
Call to Order – 8:15 am Susan, Quorum Reached	
Approval of Minutes – January 13, 2010	1 st -Petra 2 nd - Louise
School Report: <ul style="list-style-type: none">Band camp on February 3rd – February 5th. Division II choir at Camp Caroline on February 4th and 5th.We need volunteers to help out with traffic control at the end of the day. Someone on staff will be at the school circle (by the flagpole) helping direct traffic. One extra person to help out each day would make it run more efficiently.Barbara Webber has been working on traffic issues. Mrs. Webber told us that when construction begins on the theatre that the parking by the elementary school will be gone. The parking area where the buses park will be gone as well. The school may try to implement a pick up lane starting first with grades 1-6. The children will be going to the gymnasium with their class at the end of the day; they will be organized in the gymnasium. All cars going through the car pool will have a number assigned to them; they will display this number on their rearview mirror. Staff will be outside calling the numbers as the car enters the car pool lane. This number will be relayed to someone in the gym; these children will leave the gymnasium to go to their car for pick up. This plan is still being worked on, and a final decision has not yet been made.Kimiko Zakreski visited the school before leaving for the Winter Olympics. She is a member of the Canadian World Cup Snowboard Team.	Mrs. Webber and Mrs. Lacroix
Treasurer's Update: <ul style="list-style-type: none">The profit for the January fun lunch was \$784, with 368 orders placed.	Louise
Fun Lunch Update: <ul style="list-style-type: none">Next month, the fun lunch order forms will be through e-mail only. Petra will send an e-mail reminding the parents about the deadline for the fun lunch paperwork.	Petra
