

WEBBER ACADEMY

ATHLETIC PARK DONOR PACKAGE

Webber Academy Athletic Park is set to be a truly remarkable multi-functional sport and recreation facility located just west of the city, in Springbank. The park will feature 4 baseball fields, which will vary in sizes to allow athletes of all ages the opportunity to utilize this great facility, a soccer pitch, and a state-of-the-art 50,000 square foot, two storey, multi-purpose, indoor recreation facility. Sitting on 530 acres that overlook the beautiful Rocky Mountains, there is plenty of space for the park to continue to grow and offer additional features.

Webber Academy is excited to bring this one-of-a-kind facility to our students, the community of Springbank, and the many others who will get to utilize the Athletic Parks amazing features. We are committed to providing updates throughout the project and look forward to sharing the finished product with you all in the future. We have been working alongside Bradon Construction Ltd and Jackson/McCormick Design Group since the purchase of the land, and couldn't be happier with the plans for the project.
