

WEBBER ACADEMY CLASS OF 2021

YOUSSEF SOLIMAN

2021 SCHULICH LEADER

Webber Academy is thrilled to announce that Youssef Soliman has been named a 2021 Schulich Leader and awarded a scholarship valued at \$80,000. As a recipient of Canada's most coveted scholarship, he joins an elite network of national STEM scholars.

Youssef has been a student at Webber Academy since Grade 1. He excelled in Advanced Robotics, AP Computer Science A, and AP Computer Science Principles, consistently achieving the highest grades in the class. He also competed on Webber Academy's robotics team, which is ranked first in southern Alberta. As a Grade 11 student, he created and published the BetterMaplewood Chrome extension so his fellow students can easily analyze their grades. Youssef will be bringing his remarkable talents to the University of Toronto to study computer science. Congratulations, Youssef!
