

Letter To Spellers

Dear Spellers,

Due to the unprecedented circumstances of COVID-19 and the City of Calgary cancelling all public events until June 30, 2020, the 8th Annual Calgary Invitational Elementary Spelling Bee has been cancelled.

Thank you for your interest in the Spelling Bee. This year, we had strong interest in the Calgary Invitational Spelling Bee as registration filled up faster than previous years with many keen spellers from across Calgary. We hope that you will keep spelling, reading and writing and that you will continue to participate in Spelling Bee next year.

If you have any questions please call or email us at glemoine@webberacademy.ca.

Sincerely,
